Program Description

The AAS Accountant degree prepares students for successful entry into the job market upon graduation or for continuation onto their bachelor's degree.

A solid understanding of ethics and the ability to apply critical thinking skills to problem resolution is interwoven throughout the curriculum. Students demonstrate the mastery of their accounting skills through hands-on experiences as they complete comprehensive problems and case studies involving payroll, tax return preparation, transaction analysis, financial statement preparation and analysis, budget preparation and analysis, and business simulations using software programs that are popular in the industry. Managerial accounting, nonprofit accounting, internal control analysis, and spreadsheet skills are also essential components developed within our accounting program.

Many of the courses in the Accounting AAS Degree are offered on-site and all of the courses are offered online.

Program Outcomes

Students will possess a strong background in GAAP (Generally Accepted Accounting Principles), accounting theory, accounting practices, and be able to:

- Understand the laws, regulations, and the codes of the accounting profession that are applicable to and have an impact on the business and accounting environment
- Analyze and properly record routine to advanced business transactions and appropriate adjusting journal entries using a variety of industry software
- Prepare and process closing entries
- Prepare routine to advanced formal financial statements
- Prepare and file routine to advanced payroll tax returns using industry software
- Prepare and file individual tax returns using industry software
- Analyze and interpret accounting records and prepare appropriate reports for management using industry software and spreadsheet programs

Program Outcomes (con't)

- Communicate effectively in written/verbal formats with members of the organization
- Work productively in a team atmosphere
- Elect to continue onto a four-year Bachelor of Accounting degree
- Qualify to take the Accredited Business Accountant Exam

Program Articulations

This program has excellent articulation agreements in place with various colleges and universities that allow the student to transfer most (if not all) of their credits earned in the LSC Accountant program, should the graduate decide to pursue a bachelor's degree in accounting. Current articulations include:

- University of Wisconsin, Superior, BS in Accounting Articulation Agreement
- University of Minnesota, Crookston, BS in Accounting Articulation Agreement
- Herzog University, BS in Accounting Articulation Agreement

Pre-program Requirements

To begin your career in Accounting, you need to be at college level English/reading and mathematics.

English/Reading:

- Eligible for ENGL 1106 - College Composition I, or
- Completion of ENGL/READ 0950/0955 (or equivalent or higher). ENGL/READ 0950/0955 may be taken concurrently with Semester I coursework.

Mathematics:

- Completion of MATH 0970 - Intermediate Algebra with a "C" or better (or equivalent or higher). Math 0970 may be taken concurrently with Semester I coursework

There are other ways to qualify. Visit [Course Placement](http://lsc.edu/course-placement) (lsc.edu/course-placement) to find out more.
